

# Little babies mean big questions.

Free seminar  
and dinner

Thursday, June 15, 2017

**Best Western Gateway Grand**  
**4200 NW 97th Blvd.**  
**Gainesville, FL 32606**

**6 – 8:30 P.M.**

## **SEMINAR AND DINNER**

Babies don't come with directions. Being a parent is a lifelong learning process, and the more knowledge you have before the big day, the better. UF Health invites expectant parents to a FREE dinner and a chance to learn from the experts and ask questions. It's never too early to prepare for parenthood.

## **At this seminar, our pediatricians will discuss:**

- Newborn care (feeding, sleeping and skin care)
- The first few days home
- When to call the pediatrician
- Baby gear — what you need and what you don't
- Baby development
- Parenting strategies

Alexandra Stern, MD  
UF Health Pediatrics

Puneet Tung, DO  
UF Health Pediatrics

Kathryn Wheeler, MD  
UF Health Pediatrics

**WOMEN'S ADVANTAGE**

This event is for expectant parents only and registration is required;
